VERA VENKATA BHARGAV SAI

verarvenkatabharga12@gmail.com +916300639151

CAREER OBJECTIVE

To leverage my expertise in software development and cloud computing to develop and implement innovative solutions. I aim to collaborate with dynamic teams, contribute to cutting-edge projects, and lead initiatives that drive technological advancement and organizational success. I am committed to enhancing system efficiency, pursuing excellence, and achieving impactful results through strategic leadership and collaboration.

EDUCATION

KL University   August 2025
Computer Science and Engineering   *Current GPA: 9.44*

Sri Chaitanya Junior College   May 2021
Intermediate   *Marks : 901*

V.R High School   March 2019
School of Secondary Education   *CGPA: 9.0*

SKILLS

Languages: Java, C/C++
Tools: Git/GitHub, VS Code, IntelliJ, PyCharm
Frameworks: Django, SpringBoot
DataBases: SQL(Basics)

PROJECTS

Epoch of Tasks | *Spring Boot,Spring Data JPA(Hibernate),Spring MVC,MySQL,Thymeleaf,*
- Developed a task management web application for efficient organization and tracking of to do items.
- Functionalities included in CRUD operations, task categories, due dates, search/filter options, task prioritization
- Spring Data JPA simplifies database access in Spring applications by providing a high-level abstraction over JPA

FileFlow Express | *SpringBoot,SQL,HTML,CSS*
- Seamless file uploads, where data meets elegance with every upload fostering symphony of efficiency.
- Functionalities that included in File Upload Endpoint,File Storage,File Validation,Error Handling,File Metadata.
- File Upload Endpoint : Serves as the gateway to effortlessly upload files, ensuring swift and secure transmission.

HealthEase(Group) | *Django,HTML,CSS,SQL*
- Developed a Django-based healthcare application facilitating patient management.
- Functionalities included in appointment scheduling,FeedBack,Authentication
- Management : Efficient retrieval, storing and updation of health records

COURSEWORK

- **Object Oriented Programming**
- **Data Structure And Algorithms**

GLOBAL CERTIFICATION

- **AWS Cloud Practitioner** Elevate your cloud expertise with the AWS Cloud Practitioner certificate, your key to mastering essential cloud computing skills.

ACHIEVEMENTS

* My role is to secure strategic partnerships and funding to support and highlight our club's achievements and initiatives.
